

Service description

This is a Voice Over IP Service delivered onto your mobile soft phone or IP handset. The broadband may be provided by 2talk or another provider. This Service does not include the cost of your broadband internet connection.

Plan inclusions

- 1 × VoIP line with local phone number from your nominated area (within the US)
- Unlimited US domestic calling*
- Unlimited calling to 35+ standard international countries*
- Yealink T33G IP Handset (or equivalent)
- Free inbound number porting for 1 number.

Service availability

2talk VoIP requires a mobile and/or fixed broadband internet service. Each VoIP call requires a minimum of 100kbps of uncontested upstream and downstream bandwidth for optimal quality.

Small and medium business eligibility

2talk VoIP is available to US business customers only. To be eligible for this plan you or your business must provide us with registered business details.

Additional services and promotions

This fine print doesn't include any value-added services (add-ons) or special promotions that you select whilst you have this calling plan.

Cloud PBX features and availability

This plan includes access to all the Cloud PBX features to enable you to use this service. The Cloud PBX is available to all customers.

Billing information

Your account is charged on the same day each month which is called your Bill Anniversary Date, and is the date your account was created, e.g., 12 May, 12 August).

As 2talk is a pre-paid service you will be issued at the end of each month with a Statement of Activity. This details the service use along with any payments made into the account during the billing period.

Your first monthly statement may include partial month charges from when the service was activated until the next billing date. Any additional charges for non-recurring items used during that billing period will also be shown.

*Acceptable Use Policy

This service is offered to business customers with single-shift agents only. For Unlimited Domestic and International calling plans, see our Acceptable Use Policy.
