Calling

Take full control of your numbers with high-value features powered by our Cloud PBX. Enjoy the freedom to set up an advanced business phone system on your own, while our excellent customer support is here to help you.

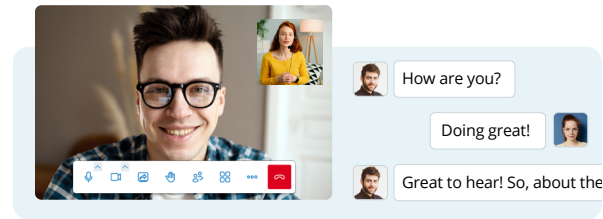

Flexible, easy-to-use phone system.

- Business-grade, crystal-clear calling quality
- Reliable network
- Tons of features powered by our Cloud PBX
- Get local, toll-free, vanity, and international numbers or port your own
- Easy setup on VoIP-compatible deskphones
- Take your numbers anywhere with our mobile apps

...and so much more!

- **Faxing:** get set up with a virtual fax number so you can ditch your machine once and for all, sending and receiving faxes on your email
- **FLIP™ POTS Replacement:** upgrade existing analog phone infrastructure in your premises without the costs of replacing it all and say hello to the future
- **MS Teams Direct Routing:** enable calling on Microsoft Teams without the need for expensive phone licensing, and couple it with 2talk's feature-packed phone system
